

**INTERVENTIONAL PRACTICE OPPORTUNITY  
MIAMI, FL**

- **Longstanding multispecialty group #1 in their field of personal injury**
- **Growing practice with plans to open a 5<sup>th</sup> office.**
- **Competitive salary with incentive and partnership potential**

Practice Features:

- This group has been providing exceptional quality diagnostic and rehabilitative care services to traumatic injury victims throughout South Florida for almost 25 years. Their board-certified physicians, as well as licensed medical assistants, rehab nurse practitioner and physical and massage therapists, offer their patients coordinated, comforting medical care at their four facilities in Miami-Dade and Broward counties.
- Their physicians include a general physiatrist, 2 neurologists, a radiologist, and an orthopedic surgeon.
- This practice is #1 in their field with a foundation set upon a firm commitment to the highest standard of professionalism and ethics, as well as a determination to work with their patients to help improve their wellbeing.
- This group has forged a path to become South Florida's premier rehabilitative medical provider with the use of its elite, cutting edge diagnostic and therapeutic systems which include a C-arm and MRI
- Divisions in neurology, orthopedic surgery and pain management.
- Continued growth and expansion with plans to open a fifth office

Responsibilities:

- Outpatient personal injury, mostly acute, little medications management, impairment ratings, initial history and physicals, final exams, EMG's and nerve conduction studies, approximately 25 new consults per week, and about 30-50 follow ups/interims.
- Although they work closely with attorneys and patient representatives in relaying information on their patient's relevant medical progress, their medical team and physicians still retain a majority of the oversight of the patient's course of care
- Travel to a different office/day within 20-30 miles of each other
- Visit each office once a week
- Procedures will be done 1 day/week by fluoro in the Hollywood office

Compensation:

- Competitive salary of \$300,000
- Incentive and partnership negotiable

Benefits:

- Comprehensive to include malpractice, health insurance and more

Payors:

- Solely personal injury

Candidate  
Qualifications:

- Board certified psychiatrist who has medical-legal experience; Spanish ideal but not necessary; a team player with excellent interpersonal and communications skills
